- Real-time network stats

## REDCOM HDX and SLICE®

Interoperability is what the REDCOM HDX and SLICE family of products are all about. The HDX and SLICE family are rugged voice communications platforms, tested to MIL-810 standards and ideal for coalition warfighting.

- VoIP, TDM, and analog
- DISA APL Listed
- AS-SIP and MLPP support
- Commercial off the shelf (COTS)
- T1/E1 PRI, SS7, CAS
- FXS/FXO LSRD, GSRD
- Radio Gateway
- E&M, Magneto

## About REDCOM

REDCOM is a leader in reliable, secure communications for mission-critical applications. We have been in business since 1978 and our products are used for both government and commercial applications around the globe. REDCOM products are fielded in all four branches of U.S. DoD as well as numerous government agencies. All of our manufacturing, sales, engineering, and support staff are based in our headquarters in Victor, NY, U.S.A.
